01002015 EU for Youth (EU4Youth) aims to provide technical assistance to support the pilot implementation of the Youth Guarantee Scheme in Albania. It is a strategic response to the pressing challenges faced by the country's youth, particularly those aged 15-29, in accessing sustainable employment opportunities. EU for Youth aims to harmonize Albania's youth employment policies with European Council recommendations on Youth Guarantee, ensuring universal accessibility for young individuals not in education, employment, or training (NEETs) under 30, policy coherence and coordination – built on diverse partnerships - to “guarantee” a quality offer within four months, on-going monitoring, and effective utilization of both domestic and other financial resources. The EU for Youth strategically aligns with national strategies, including the National Strategy for Development and European Integration 2022-2030, the National Employment and Skills Strategy 2030, the National Youth Strategy 2022-2029, and others, creating synergies for effective implementation.
