01003157 This Global Programme will support countries in revising and updating their National Biodiversity Strategies and Action Plans (NBSAPs) in order to align with the recently agreed upon Kunming-Montreal Global Biodiversity Framework, and enable effective implementation of the Convention on Biological Diversity (CBD) and the Kunming Montreal Global Biodiversity Framework at the national level. In addition, this grant supports countries in preparing and submitting their 7th National Report on the implementation of the Convention on Biological Diversity and the Kunming-Montreal Global Biodiversity Framework. This Global Programme will be responsive to CBD guidance on developing NBSAPs and completing the 7th National Report, including recent COP15 outcomes and decisions. It will also build upon existing work through the Global Biodiversity Framework Early Action Support (GBF-EAS) that is ongoing, as well as support to countries to develop biodiversity finance plans, through the recently approved "Umbrella Programme to Support Development of Biodiversity Finance Plans". The project implementation units of all three initiatives will coordinate to ensure that resources from both projects are used effectively and efficiently towards the update or revision of the National Biodiversity Strategies and Action Plans and the preparation of the 7th National Reports in the targeted countries.	A national gender analysis and action plan developed to ensure gender mainstreaming within consultation processes and within actions to advise the NBSAP updating and revision process.	5/24/2024	11/24/2027		62000	Global Environment Fund Trustee	71600 - Travel	2,500.00

01003157 This Global Programme will support countries in revising and updating their National Biodiversity Strategies and Action Plans (NBSAPs) in order to align with the recently agreed upon Kunming-Montreal Global Biodiversity Framework, and enable effective implementation of the Convention on Biological Diversity (CBD) and the Kunming Montreal Global Biodiversity Framework at the national level. In addition, this grant supports countries in preparing and submitting their 7th National Report on the implementation of the Convention on Biological Diversity and the Kunming-Montreal Global Biodiversity Framework. This Global Programme will be responsive to CBD guidance on developing NBSAPs and completing the 7th National Report, including recent COP15 outcomes and decisions. It will also build upon existing work through the Global Biodiversity Framework Early Action Support (GBF-EAS) that is ongoing, as well as support to countries to develop biodiversity finance plans, through the recently approved “Umbrella Programme to Support Development of Biodiversity Finance Plans”. The project implementation units of all three initiatives will coordinate to ensure that resources from both projects are used effectively and efficiently towards the update or revision of the National Biodiversity Strategies and Action Plans and the preparation of the 7th National Reports in the targeted countries.	A national gender analysis and action plan developed to ensure gender mainstreaming within consultation processes and within actions to advise the NBSAP updating and revision process.	5/24/2024	11/24/2027		62000	Global Environment Fund Trustee	71400 - Contractual Services - Individ	1,250.00
