Annual Work Plan

B0586 - Serbia - Belgrade

Project: 01003810 **Report Date:** 7/1/2026

Project Title: This activity aims to support the Ministry of Finance/PDA in understanding and adopting international best practices in thematic bond issuance and reporting

Year: 2025

Output	Key Activities	Timeframe		Responsible Party	Planned Budget			
		Start	End		Fund	Donor	Budget Descr	Amount US$
01003810 This activity aims to support the Ministry of Finance/PDA in understanding and adopting international best practices in thematic bond issuance and reporting, with the aim of achieving the SDGs. By learning from the experiences of other countries, the Ministry of Finance/PDA will be better equipped to design and implement effective strategies for the issuance, management and reporting on thematic bonds that contribute to financing the SDG. This initiative will provide essential knowledge and resources to ensure that the country's thematic bonds meet global standards and attract potential investors focused on sustainability.	Integration of International Best Practices in Thematic Bond Issuance, Management and Reporting for SDG financing	1/20/2025	1/20/2027		32050	Ministry of Finance of the Republic of	71400 - Contractual Services - Individ	9,786.00
