01004250 SGP-OP8 builds on 30 years of successful experience in empowering local CSOs and CBOs in community driven initiatives that have enhanced wellbeing, increased awareness and resilience, and generated global environmental benefits. With economic development pressures intensifying in the developing world and the associated rising inequalities, local communities, particularly vulnerable and disadvantaged groups are becoming increasingly marginalized. The objective of Part 1 of SGP OP8 is to engage local CSOs/CBOs in landscape-seascape approaches across the 99 participating countries, providing them access to knowledge and information, capacitating them through learning-by-doing, skills development, and delivering technical and grant assistancefor interventions that enhance socioeconomic conditions and generate global environmental benefits. In line with the GEF-8 SGP Implementation Arrangements Paper, core SGP resources are to be allocated equally among all eligible countries.
