

24 January 2011

Dear Mr. Ketsana Phommachane,

Subject: Transfer of assets from CL Project to LSMP Support Project

I refer to your letter dated 20 January 2011 requesting the transfer of all Customary Law Project assets to the Project in Support to the LSMP.

It is my pleasure to inform you that given the fact that both Customary Law and LSMP Projects share a same award, that there is no monetary transaction between the two projects, that no third party is implied and that the title of ownership remains with UNDP, the transfer may be agreed with no necessity of a formal approval by the Contracts, Assets and Procurement Committee.

The concerned assets shall therefore be considered transferred from now on to the LSMP Support Project.

I take this opportunity to reiterate my assurance of UNDP's full support to the action of the Ministry of Justice in favour of a coordinated reform of the legal sector.

Yours sincerely,

Dirk Wagener,
ARR, Governance Unit Chief
