Brief Description

The objective of the Joint Programme is to enhance the effectiveness and efficiency of the National Assembly of Lao PDR (NA). The programme, entitled "Support to an Effective Lao National Assembly (SELNA)", started in January 2009 and will end in 2012. The overall objective is *'An efficient, effective and accountable parliament supporting development and poverty reduction for the citizens of the Lao PDR.*

SELNA will support the National Assembly to further strengthen its legislative, oversight and representational capacities through initiatives involving parliamentarianism the parliamentary committees, committees support staff, and the office of the National Assembly. The programme will also integrate support to the government of Lao PDR to develop national policies and legislation for the establishment of local councils as sub-national representative institutions.

The joint programme comprises four main components:

1. Enhanced Parliamentary Capacity for Exercising Legislative and Oversight Responsibility: Strengthen and enhance the capacity of the parliamentarians & committees to exercise their interrelated functions: law making, executive oversight, national budget and review and execution oversight.
2. Effective Parliamentary Representation of Citizens: Increase opportunities for interaction between National Assembly member and their constituents; Enhanced public awareness of the constitutional role and mandate National Assembly, improved access to proceedings of parliament, draft legislation and laws; Improving the process of petitions with the aim of upgrading the current petitions department to a NA committee vested with ombudsman-like functions; expanding the National Assembly hotline service.
3. Strengthened Parliamentary Support Services: Strengthen the Office of the National Assembly to deliver effective services to the parliament, the committees and members and build internal parliamentary management and financial structures for improved sustainability.
4. The programme will be implemented by the National Assembly in partnership with the UN, with technical and financial inputs initially pledged from UNAIDS, UNDP, UNFPA, UNICEF & UN WOMEN. The programme will forge additional partnerships with other UN agencies and other organisation, as appropriate.

The total budget of the programme is US\$ 2,911,461 over four years.
