Project Document**

Project Title Support for the cultural heritage monuments of great importance for the communities of Cyprus, Phase I.

UNDAF Outcome(s): N/A

Expected Outcome(s): CP N/A

Expected Output(s):

- Emergency measures for at least phase 1 of Othello Tower and up to 5 cultural heritage sites are implemented
- The Study of Cultural Heritage is published
- The maintenance of the Cultural Heritage inventory on the GIS platform is in place
- Public awareness about EU funded activities of the TCCH is raised (opening event organized for each completed site)

Executing Entity: UNDP DIM

Implementing Agencies: UNDP Partnership for the Future Programme (DIM)

Brief Description

The Overall Objective of the project is to support the reconciliation process and to increase the trust between the Greek Cypriot and Turkish Cypriot communities through the implementation of confidence building measures agreed by the Technical Committee on Cultural Heritage (TCCH). Confidence-building measures will be further encouraged by the important participation of bi-communal teams during the implementation of the project.

The Specific Objective of the project is the preservation of Cypriot cultural heritage by supporting restoration and emergency measures for high importance monuments agreed by the bi-communal Technical Committee on Cultural Heritage in Cyprus.
