I, authorized representative of the Caribbean Regional Development Program, acknowledge and accept your request (*dated July 29, 2022*) to amend the Grant Arrangement for the **Climate Change Action for Gender Sensitive Resilience Project** for an extension of the project by eighteen (18) months without an increase to the financial limitation of the Arrangement.

“23.1 The Arrangement will come into effect on the date of the last signature and will remain in effect until August 31, 2024.”

I would be grateful if you could acknowledge and agree to the amendment above in order to formalize the process.

I would also like to take this opportunity to wish the United Nations Development Program well for the rest of the project and look forward to the difference the project will make to climate change adaptation and mitigation throughout the Caribbean.

Sincerely,
