

Country: Nigeria
Initiation Plan Revision Cover Page

Project Title : Strengthening Economic Planning and Sustainable Development Goals Implementation in Nigeria.

Expected UNSDCF/CPD Outcome(s) : By 2027, Nigeria sustains inclusive economic growth and development that provides equitable opportunities for decent employment and livelihoods.

Expected CPD Output(s) : OUTPUT 1.3: Policies enabled for inclusive and sustainable social protection programmes to strengthen livelihood opportunities for the vulnerable.
OUTPUT 1.4: National data collection, measurement, and analytical systems strengthened using SDG-aligned state development plans and systems.

Initiation Plan Start/End Dates : April 10, 2023 – December 31, 2024

Implementing Partner : (1) Federal Ministry of Finance, Budget and National Planning
(2) Office of the Senior Special Assistant to the President on SDGs
(3) National Bureau of Statistics

Brief Description

The project will enhance the institutional and human resource capacity of the Ministry of Budget and National Planning (MBNP), National Bureau of Statistics (NBS) and the Office of the Special Assistant to the President on SDGs (OSSAP-SDGs) to design, implement and monitor medium term and long-term plans in line with country-level sectoral priorities and the Sustainable Development Goals (SDGs). It will focus on three components; (a) Formulation and Preparation of harmonized sectoral and aggregate medium term and short-term plans at the Federal and State levels, (b) SDGs Mainstreaming, Localization and Implementation Monitoring, (c) Strengthening National and Sub-national statistical strategies to produce data that support country-level development priorities.

Programme Period: April 01, 2023 – December 31, 2024
