As a next step, your offices are required to set up the project and financial plan in Quantum and notify Firuza Djalilova (firuza.djalilova@undp.org), the FWs Fund Administration Specialist. In accordance with the directives of UNDP's Executive Board, the GMS fee of 7% applies to this allocation.

Please note that the planned project activities as presented in the proposal must be completed **by 18 September 2025**. Further, the implementation of this allocation must adhere to the established corporate policies and procedures as prescribed in the POPP, and you as the Responsible Manager(s) are accountable for the effective and prudent use of the funds allocated to your office(s).

These funds are allocated thanks to the generous support of the Governments of Denmark, Luxembourg and the Republic of Korea. I encourage you to reach out to their representatives in your country at critical intervals to inform them of your work, express our appreciation and give them visibility.

Please do not hesitate to contact fundingwindows@undp.org for any additional support you might need.

Yours sincerely,
