

Global Project for Managing Development Cooperation Effectively (Project No 00050716): 2021 Annual Workplan

This workplan is based on Global Partnership's 2020-2022 Work Programme, which was adopted by its Steering Committee in May 2020. The workplan reflects core institutional support covering foundational needs of the Global Partnership and JST's institutional support to the Global Partnership Monitoring.

Key objectives: Strengthening enabling systems and environments for effective use and management of development cooperation and partnerships and promoting international efforts for maximizing the effectiveness of all forms of cooperation for development.

EDC contributions to UNDP Strategic Plan 2018-2021: Development results (*SP Development Outputs 1.2.2 and 1.1.1*) and Development outcome (*SP Development Outcome 1.9*).

Expected outputs	Activities	2021				Responsible Party	Budget			Progress towards outputs	
		Q1	Q2	Q3	Q4		Source	Budget Description	Amount		
Output 1 <i>Global partnership monitoring framework refined, strengthened and implemented to support global accountability and mutual learning on effective development cooperation</i>	1.1. Monitoring Reforms										
	1.1.1. Reform of monitoring process										
	Monitoring process issue A (with focus on streamlining/simplifying, embedding preparation and follow-up in monitoring process, and institutionalisation at country level)					BPPS with OECD (Effectiveness Group in collaboration with SDG Finance, SDG I., and Core Governance team in CB as needed)	GPEDC JST Fund (Third Party)	Advisory/ Technical Support (staff)	See under JST institutional support	Decision was made in March to fold additional process related questions in stakeholder-led consultations on monitoring framework in order to maximise efficiency of stakeholder engagement (particularly in cognisant of partner country government limitation). Additional two consultation was held with development partners and non-executive stakeholders at the end May.	
	a. Develop concept/background materials	X	X					Virtual consultation	--		Decision was made with Co-Chairs that finalised monitoring process approach will be further considered, after an refined indicator framework is designed at the end 2021.
	b. Support partner country-working group/consultation for addressing monitoring process challenges. c. Prepare key findings from the consultations							Interpretation/ translation	2,000		
<i>Result:</i> Consultations held with diverse, representative selection of partner countries by end of May; report on key findings and options for the way forward submitted to the SC in June							Advisory/ Technical Support (staff)	See under JST institutional support	Decision was made with Co-Chairs that papers will be produced to cover: occurrence and SDG linkages. However, the decision on periodicity is further considered toward the end 2021 or 2022. Two papers were produced – available in KSP.		
Monitoring process issue B (periodicity and SDG linkage)							Virtual consultation	--			
d. Develop analytical pieces on the Global Partnership monitoring linkages to SDGs and periodicity e. Online consultation as guided by CCs. <i>Result:</i> Technical research paper on periodicity and SDG linkages produced for consideration of the Steering Committee in June	X	X	X	X							

	Consolidation and preparation for proposal for strengthening monitoring process f. Support CCs with the analysis, follow-up consultation and the preparation of options for a new monitoring process for SC direction/ endorsement <i>Result:</i> SC endorsement for next steps on the development of a new monitoring process		X					Advisory/ Technical Support (staff)	--	
	Refinement of monitoring tools, materials and support for monitoring process (specifics to be further informed from the SC June deliberation, and continuously informed from Action Dialogues) g. Preparation of guides, practice note, renewed support instruments h. Testing in conjunction with indicator framework reform i. Facilitation of knowledge sharing across GP stakeholders on monitoring process j. Consultation with partners, stakeholders (webinar, consultations) in conjunction with 1.1.2 <i>Result:</i> Strategy developed to implement the new monitoring process; next steps to address the monitoring process issues implemented and reported to the SC in Nov/ Dec, including the increased availability of guides and materials available to support stakeholders for monitoring and building block for a renewed support instruments identified.							Advisory/ Technical Support (staff)	See under JST institutional support	With the decisions on monitoring process and framework pushed back to the end 2021, this activity will be shifted to 2022.
							E- discussion/ KSP Exchange	--		
							Design/publi cation	1,000		
1.1.2. Reform of the monitoring framework -										
	Stakeholder-led consultation on the areas for refinement (i.e. new area for indicator, indicators that need to be refined, and indicators to be dropped, etc.) a. Preparation of consultation materials b. Support CCs organisation of stakeholder-led consultation), focusing on partner-country consultation (virtual) c. Support CCs with the consolidation, analysis and reconciliation of stakeholders views and preparation of background document for SC June <i>Result:</i> Consultations held with diverse, representative selection of partner countries by end of May; report on key findings and options for the way forward submitted to the SC in June; and a contour for a new monitoring framework endorsed by SC.	X	X			BPPS with OECD BPPS, with BERA (on engagement)	GPEDC JST Fund (Third Party)	Advisory/ Technical Support (staff)	See under JST institutional support	Between March-May, more than 15 virtual consultation held. Synthesis of consultation is available in the GPEDC's Knowledge Sharing Platform. Based on the consultations, the proposed contours will be discussed in July SC meeting. The background document to SC contains the findings, analysis and proposed contours for a refined monitoring framework,
							Virtual consultation (Zoom)	---		
							Interpretatio n	2,500		
	Refinement and development of indicators and measurement approach. d. Develop new or revised measurement (metadata) in consultation with relevant technical experts			X	X	BPPS (effectiveness group to collaborate with SPC and other	GPEDC JST Fund (Third Party)	Advisory/ Technical Support (staff)	See under JST institutional support	After July SC, work will move to technical work.

e. Pilot/text measurement approach- coordination, communication and technical advice, helpdesk provided for testing of new monitoring methodology, # of countries based on resources and interest f. Synthesis, analysis and documentation of tested results (including country profiles as appropriate) g. Preparation of background document for SC Nov/Dec <i>Result:</i> A new or revised measurement approach developed					relevant policy centers) with OECD and respective AAs and members		Use of E-discussion platform and webinars (Zoom)	--	
							Country pilot		Piloting work will be postponed to 2022.
	1.1.3 Design of a new Global Partnership monitoring package – indicative for 2022								
a. Refinement of monitoring tools, data collection instruments, and a process guide, informed from testing/piloting, Action Dialogues, and relevant AA work. b. Stakeholder wide consultation c. Partner country training in conjunction with learning events d. Development of a new monitoring leaflet, briefs, etc. <i>Result:</i> A new monitoring offer package developed for (and endorsed at) HLM 3					BPPS with OECD	GPEDC JST Fund (Third Party)	Advisory/ Technical Support (staff)	See below JST staff resources	
							Virtual consultation (Zoom)	Use of corporate license	
							Translation & design (LTA)	4,000 (2022)	
1.2 Use of Monitoring Results									
1.2.1. Reporting and use of data for SDG monitoring and FfD processes									
a. Submission of data and storyline/headline to SDG reporting and FFSD report: (Jan-March 2021) b. Preparation of country specific results for SDG 5.c.1, 17.15.1 and 17.16.1 for use in VNRs (Jan-March 2021) <i>Result:</i> Data/evidence from 2018 monitoring included in the SDG report (SG report on SDG), IATF Report 2021, VNRs 2021	X				BPPS with OECD	GPEDC JST Fund (Third Party)	Advisory/ Technical Support (staff)	See below – JST staff resources	IATF Financing for Sustainable Development includes data/reference to GPEDC monitoring. Data/storyline submitted for SDG 2021 Report.
1.2.2. Support to Action Dialogues 2021 (in conjunction with output 2)									
a. Lead country outreach on behalf of the co-chairs and discussions to conceptualise country-led Action Dialogues in collaboration with regional and country office focal points and coordination with RCOs as appropriately. b. Provide remote technical assistance and helpdesk support to country-led Action Dialogues (use of	X	X	X	X	BPPS ((Effectiveness Group in collaboration with UNDP COs and SDG Financing Hub, Core Governance team in CB as needed)	GPEDC JST Fund (Third Party)	Advisory/ Technical Support (staff)	See below – JST staff resources for output 1 and output 2	Letters sent out on behalf of Co-Chairs. Letter/communication to UNRCs and UNDP RRs made. More than 80 countries outreached. 17 confirmed, a dozen more in discussion.
							Country support	100,000	

	<p>toolkits, evidence, results, linkages to AAs, support mobilization of stakeholders etc.)</p> <p>c. Facilitate training/e-discussion/exchange of good practices</p> <p>d. Provide remote support to preparation of country profiles with results from Action Dialogues</p> <p>Result. 30 countries supported through helpdesk and remote technical assistance, 30 countries reported as undertaking Action Dialogues; written report submitted by all countries that lead an Action Dialogue; report on emerging messages with global relevance considered by SC in Nov/ Dec</p>							E-discussion/ KSP exchange	Use of KSP	<p>Provisional 50,000USD from IATI project put to use for Action Dialogues that may focus on transparency.</p> <p>Action Dialogue page includes update on Action Dialogues. Matrix of Action Dialogues available for Action Area Lead and SC members through KSP.</p>	
	1.2.3. Preparation of 2022 Report – provisional 2022										
	<p>a. Consolidation and analysis from Action Dialogues, monitoring reform, and results from piloting.</p> <p>b. Collaborate with relevant expert and stakeholders for complementary use of data and results from stakeholder-led analysis/report</p> <p>c. Coordination with AAs on new evidence, examples</p> <p>d. Preparation of report, relevant briefs (translated, designed for dissemination)</p> <p>Result. Global Partnership 2022 report produced ahead of HLM 3</p>					BPPS with OECD	GPEDC JST	Advisory/ Technical Support (staff)	See below – JST staff resources		
								Virtual webinars			
								ST consultant	20,000 (2022)		
								Translation (LTA)	5000 (2022)		
	Advisory/Technical Support provided for all above activities										
	Project Staff Support	X	X	X	X		UNDP	Policy Advisor (35%)	105,000		
		X	X	X	X		GPEDC JST (Third party)	Policy Specialist (100%)	257,000		
								IC	10,000		
						In-Kind	Policy Analyst JPO (50%)	4,500			
						GPEDC	Intern (30%)				
								Resource needs			
Sub-Total Output 1: Institutional Support 2021									376,500		
Sub-Total Output 1: Support to implementation activities 2021									105,500		
Output 2	2.1. A structured country anchoring support										
<i>The increased number of</i>	2.1.1. Advisor support to leveraging the Dialogue and monitoring to country-led Policy and System Reform and country-level effectiveness efforts (in conjunction with output 1)										

<p><i>countries with an enabling environment in place (policy frameworks and institutional arrangements for effective development coordination and cooperation) that facilitates an integrated approach to resource planning and strengthened multi-stakeholder partnerships</i></p>	a.	Documentation and compendium of good practices (a standalone, or as part of HLM 3 report) (informed from Action Dialogues and other UNDP country-level support)						UNDP	Advisory/ Technical Support (staff)	Draw /collaborate with expertise in GPN	<p>It is positioned to support Action Dialogues under output 1.</p>
	b.	Tracking of CO support on EDC									
	c.	EDC in VNRs mapping and analysis									
	d.	Practice briefs (institutionalization of monitoring at country level, quality of multi-stakeholder dialogue and accountability) [i.e. UNDP's guide on strengthening effective multi-stakeholder review and accountability mechanisms]							ST consultant	See below – JST resources	
	e.	Re-establish UNDP community, as part of the SDGi CoP evolution, and facilitate UNRCO-UNDP internal community of practice working with DCO					<p>BPPS with DCO and relevant GPN groups</p>	<p>GPEDC JST</p>	<p>Publication/translation</p>	<p>TBD</p>	
	f.	Review the provisional note on EDC and support the evolution of the note.									
	g.	Collaboration with SDG Finance Sector Hub (i.e. INFF, with focus on cooperation policy, DFA, AIMS, dialogue and mutual accountability)									
	h.	Review/evaluation of UNDP AIMS support [tentative in line with LTA review]									
	i.	Webinars and TA to country offices (demand-driven on-going)									
	j.	Collection of country stories and examples as part of preparation for ASR 2021 and 2022						UNDP	Virtual exchange/engagement	Collaborate with SDG i team	
		<p><i>Result. The increased documentation of best practices, examples and policy guidance drawing on UN/UNDP work at country level</i></p>									
<p>2.1.2. Strengthening and facilitation of partner country group and engagement and facilitation of peer- and mutual learning</p>											
	a.	Outreach, facilitation and management of partner country group in KSP (content productions, facilitation of e-discussions, etc.)							Advisory/ Technical Support (staff)	See below – JST staff resources	<p>In 2021, This is done in conjunction with support to Action Dialogues. JST staff resources is put to use to reinforce the output 1 (Action Dialogues).</p>
	b.	Concept/content preparation and/management of practitioners'/experts' corner							E-discussion/KSP engagement	Use of KSP	
	c.	Outreach and engagement for webinars, practitioner's corner, stories of progress									
	d.	Facilitation and management of country engagement in Aas									
	e.	In-person or virtual partner country learning event(s) to be explored in conjunction with monitoring consultation and other events explored by various Aas									
	f.	Substantive support to learning event (i.e KOICA LAP)							Virtual webinars/consultation	Use of corporate license	
		<p><i>Result: Robust content and knowledge/practice exchange facilitated among partner countries and Opportunities for peer and mutual learning increased and availability of country driven knowledge sharing supported</i></p>									
<p>2.2. Analytics and Coordination Support Across Aas</p>											

a. Coordination meetings of AA leads (every 2 month) – in conjunction with Output 4		X		X	BPPS/BERA with OECD	GPEDC JST (Third party)	Advisory/ Technical Support (staff)	See below – JST staff resources	Coordination and communication tools developed (checklist, etc.), AA coordination group established in KSP. AA activity/progress register established/available in KSP. The active use by AA leads themselves is however limited.
	b. Regular communication and coordination for country outreach, KS and learning activities, stakeholder and communication products (see 2.1)						Virtual meetings	Use of corporate license	
c. Interface of AA work with Monitoring support (output 1) and identification of synergies across Aas									
d. Regular progress update document prior to SC meetings <i>Result. A minimum ingredient for institutionalising a whole of GPEDC approach that aims to ensure synergies across AA and better monitoring of progress</i>									
Provide technical advice and support to AA leads (see below the specific Aas), specifically on country level work, and partner country engagement, including through engagement with UNDP COs. AA1.1: Coordination support of AA 1.1 work AA1.2. Advice on country outreach strategy AA 2.2. Advice on country level work and engagement AA.2.4 Advice on country engagement and coordination as needed. AA 2.5. Advice on work plan on country level engagement, including through linking up with the work of the SDGPP		X		X	BPPS/BERA with OECD	GPEDC JST (Third party)	Advisory/ Technical Support (staff)	Se below- JST staff resource	
Advisory/Technical Support provided for all above activities									
Project Staff Support	X	X	X	X		UNDP	Policy Advisor (35%)	105,000	
		X	X	X		GPEDC JST (Third party)	Programme Specialist (100%)	191,000	
	X						Programme Analyst (JPO) 4 th year	45,000	
	X	X					ST Consultant (until June)	20,000	(contract secured using 2020 resource)
	X	X	X	X			Policy Analyst (JPO) (50%)	4,500	
							Intern (70%)	--	
	X	X	X	X		UNDP	Policy Analyst (JPO) (25%)	In kind China	

2.3. Substantive support to AAs (demand-driven and separately resourced if activities need funding)										
Action Area 2.1. Private Sector Engagement (PSE) in development co-operation and the Kampala Principles (KP)										
<p>a. Advice and support to the AA lead and working group on implementation (pending resources) and uptake of the Kampala Principles at the country level and related advocacy and outreach</p> <p>b. Regular coordination/facilitating engagement of the UNDP BcTA, UNDP private sector/Finance Sector Hub colleagues</p> <p>c. Engagement/communication with relevant UNDP COs on country-level activities on the implementation of the Kampala Principles (in conjunction with 2.1)</p> <p><i>Result: PSE/KP work with focus at the country level supported, broader examples/evidence on the application of the KP produced. UNDP private sector network and expertise leveraged, especially through deepened collaboration with the UNDP BcTA</i></p>	X	X	X	X	BPPS with SDG Finance Sector Hub	UNDP BcTA project (in- kind) & GPEDC JST (Third party)	Advisory/ Technical Support (staff)			The Kampala Principles linkage established with UNDP support to Business Call to Action and UNDP's Private Sector partnership work. Further work undertaken based on the collaboration with BcTA project, with limited coordination support from UNDP/JST.
Action Area 2.3. Country-led development effectiveness of South-South co-operation (SSC)										
<p>a. Provision of advisory and technical support to the AA lead on assessing and monitoring the effectiveness of SSC through piloting work with several Southern Partners (in conjunction with 2.1) and dissemination of results</p> <p>b. Support with country engagement, including by leveraging UNDP regional and country offices (in conjunction with country anchoring support)</p> <p>c. Regular coordination/engagement with UNOSSC through UNDP-UNOSSC joint project Global SSC Thinker and collaboration with the UNDP Seoul Policy Center on research and academic aspects of effective SSC</p> <p><i>Result: Framework(s) on the assessment of SSC effectiveness developed, piloted and presented at the HLM3 and community of practitioners established; SSC effectiveness aspects reflected in the monitoring reform process; increased awareness and evidence on the effectiveness of SSC in different country contexts produced and disseminated;</i></p>	X	X	X	X	BPPS with respective UNDP COs		Advisory/ Technical support (staff)	See below – the JST staff resource		Under strong political, technical and coordination lead by Colombia, support is provided to loop/link COs into the work to explore a systematic/structure support at country level for taking the pilot forward in conjunction with relevant CO programmes/projects.
Action Area 2.7 Effective Multilateral support (To be developed further and resourced separately for activities to be undertaken by UNDP/UNSDG)										
<p>a. Regular coordination/engagement with UNSDG (in support of UNSDG rep)</p>					BERA	UNDP	Political/strat egic lead	UNDP core outside of the JST function		Leadership provided by BERA in its role as representing UNSDG in SC.

	b. Coordination and technical support to working group as technical lead					BERA & BPPS	UNDP	Advisory/ Technical support (staff)	See below – the JST staff resource under output 3 and 4	
	c. Dissemination of products with relevant forums and partners									
	<u>Result:</u> A series of multi-stakeholder outputs prepared and disseminated on effective multilateral action, and effective support to multilaterals.									
	Resource needs									
Sub Total Output 2: Institutional Support - 2021									325,000	Note: 20,000 for International Consultant (IC) secured from 2020 resource.
Sub-Total Output 2: Support to implementation of activities									TBD	

Output 3 <i>Strengthened evidence-based knowledge exchange and mutual learning on effective development cooperation, including on emerging modalities of cooperation</i>	3.1. Robust Knowledge Sharing Platform and Facilitation of Community of Practice										
	3.1.1. Strengthening and Maintaining basic functionality of KSP										
	a. Training of AA focal points and KSP users					BPPS		Advisory/ Technical support (staff)	See below – JST staff resources		
	b. Maintain and improve KSP basic functionality	X	X	X	X		GPEDC JST				
	c. Establish and maintain country activity matrix and regular update on information content (under output 1 and 2)							Vendor service fee	26,692		
	<u>Result:</u>										
	3.1.2. Facilitation of Knowledge-Sharing and virtual engagement										
	a. Support organisation of practitioners' corner with outreach and engagement of broader effectiveness community actors	X	X	X	X	BPPS	GPEDC JST	Advisory/ Technical support (staff)	See below – JST staff resources	Webinars supported include: IPU-GPEDC webinar, upcoming AA 1.1 and AA1.2. webinars, HLPF side event webinar (July).	
	b. Plan, manage and publish stories of progress										
	c. Systematisation of knowledge and resources shared by AAs, countries and stakeholders (2021-22) and production of GPEDC Knowledge Products (2022)						UNDP	Virtual webinars	Use of corporate license		
<u>Result:</u>											
3.2. Evidence-Based Strategic Communication and Online GPEDC presence											
3.2.1. New GPEDC website contents and a communication strategy (for internal JST use)											
a. External contents added and updated (continuous)		X	X	X	BPPS & BERA		Advisory/ Technical support (staff)	See below – JST staff resources			
b. Development/management of a GPEDC communication strategy											
c. Social media		X	X		BPPS	GPEDC JST	Vendor/ service	See above KSP resource			
d. Blogs (frequency to be informed from a comm strategy)											
e. Newsletter (frequency to be informed from a comm strategy)											
<u>Result:</u> Up-to-date virtual presence for the Partnership supported and maintained.	X	X	X	X	BPPS		Website hosting	1,788			
3.2.2. Strategic Communication products/briefs											

a. FFD comm brief (April) b. LDC brief (May) c. HLPF related comm brief (July) d. Specific comm action around SC meeting (June and Nov/Dec) e. Comm action around a webinar series f. High-profile op-ed (TBD) <u>Result:</u> Products disseminated to relevant partners and forums in the promotion of effectiveness.	X	X	X	X	BERA	UNDP	Political oversight/ Advisory support (staff)	UNDP core	
					BPPS & BERA	GPEDC JST	Advisory/ Technical support (staff)	See below- JST staff resources	
					BERA & BPPS		Publication (LTA)	11,,000	
3.3. Stakeholder engagement and political outreach led by CCs and SC members)									
a. Support organisation of a series of GPEDC global webinars b. Outreach/engagement with relevant UN MS led groups (Africa Group, LDC Group, etc.) under political lead of UNDP/UNSDG rep (e.g. DRC briefing) c. Strategic liaison and scanning of discussions in relevant UN development process and other fora d. Outreach/engagement with respective UNSDG group (partnership group) e. Support CCs with priority engagement in global fora f. Support UNDP/UNSDG rep for outreach Result: Products disseminated to relevant partners and forums in the promotion of effectiveness.	X	X	X	X	BERA	UNDP	Political/Strategic Support	UNDP Core	
					BPPS & BERA	GPEDC JST	Advisory/ Technical support (staff)	See below – JST staff resources	
					BPPS & BERA		Mail Chimp and mail service subscription	3,500	
					BERA & BPPS		Virtual webinars/co nsultation	Use of corporate license	
					BPPS		Interpretation (LTA)	4,000	
	Advisory/Technical Support provided for all above activities								
Project Staff Support	X	X	X	X		BPPS	Policy Advisor (10%)	30,000	
	X	X	X	X		BERA	Outreach & Partnership Specialist (40%)	92,000	
	X	X	X	X		BPPS	KM & Comm Analyst (75%)	154,500	
						BERA	Intern (30%)		
Operational/Technical Support (licenses, hosting, platform maintenance)						BPPA		78,480	
								Resource needs	
Sub-Total Output 3: JST Institutional Support - 2021								323,480	
Sub-Total Output 3: Support to implementation of activities- 2021								TBD	

Output 4 <i>High-level and inclusive engagement and visibility of the GPEDC strengthened (visibility of GPEDC moved to output 3)</i>	4.1. Secretariat and Advisory support to CCs and Steering Committee									
	a. Monthly CC call (agenda setting, minutes, preparation, communication)	X	X	X	X	BPPS & BERA	UNDP	Strategic Guidance	UNDP core	
	b. Support and organisation of AA coordination call (CC led)									
	c. Communication with SC members									
	d. Preparation of strategic briefs, etc.									
	e. Coordination support in conjunction with output 2	X	X	X	X	BERA	GPEDC JST	Advisory/ Technical support (staff)	See below – JST staff resources	
	f. CC succession									
	g. Briefing new SC members									
	h. SC contact list updated									
	Result: Secretariat support to the Partnership so that Partnership leadership is able to focus on strategic decision-making, not process.									
	4.2. Organisation of Steering Committee Meetings									
	a. Agenda preparation and background document preparations (in conjunction with output 1, 2, and 3)	X	X	X	X	BPPS	UNDP	Strategic Guidance	See under 4.1	
	b. Support virtual or in-person SC meetings (virtual in June, Nov/Oct)	X	X	X	X	BPPS & BERA	GPEDC JST	Advisory/ Technical support (staff)	See under 4.1	
	c. Provision of logistic, communication and interpretation support					BPPS		Translation & Interpretation	30,000	
d. Prior outreach/discussion with SC members	X	X			BPPS & BERA	Virtual meetings		Use of corporate license		
Result: Secretariat support to the Partnership so that Partnership leadership is able to focus on strategic decision-making, not process										
Advisory/Technical Support provided for all above activities										
Project Staff Support	X	X	X	X		BPPS	Policy Advisor (20%)	60,000		
	X	X	X	X		BERA	Outreach & Partnership Specialist (60%)	138,000		
	X	X	X	X		BPPS/ BERA	KM & Comm Analyst (25%)	47,500		
	X	X	X	X		BERA	Intern (70%)			
Operational Support						BPPS		15,000		
4.3. GPEDC Review										

	a. Support CCs for preparation of ToRs, review process.	X	X	X	X	BERA & BPPS	UNDP	Political Guidance & Engagement	See under 4.1		
	b. Supporting working arrangement as agreed by CCs and SC relating to the GPEDC review					BPPS		Strategic Guidance and Advisory support			
	c. Support virtual consultation and stakeholder engagement, as needed					BPPS & BERA		GPEDC JST			Technical support (staff)
	d. Support CCs for outreach and relevant communication, as needed.					BPPS & BERA		UNDP			Virtual consultation
e. Support CCs and SC on 'management response'											
Result: Transparent, inclusive and robust GPEDC review undertaken, a set of concrete proposed changes identified, discussed and endorsed by SC for HLM 3											
Project Management, QA, Reporting, Visibility Activities¹	a. Quarterly report (update on funding)	X	X	X	X	BPPS	UNDP	Strategic and QA (Director)	33,000 UNDP Core		
	b. Cost-sharing agreements and any necessary documentation associated with the agreements	X	X	X	X	BPPS	UNDP	Project Management (Advisor)	See above UNDP Core
