Subject: Approval to the No-Cost Extension Request for KOICA-UNDP Projects on "Strengthening Democratic Governance and Public Accountability in Tunisia" and "Promoting Citizenship and Strengthening Social Cohesion in Tunisia"

Korea International Cooperation Agency (KOICA) Tunisia Office presents its compliments to the United Nations Development Programme (UNDP) in Tunisia and has the honour to inform the approval introduced in the letter dated 28/03/2019 by UNDP to request an extension of 3 months, until 30th of September 2019, for project closure and the completion of documentation following the completed project activities.

Therefore, KOICA approves to extend the project until the end of September 2019, in order to guarantee the completion of pending issues, sufficient time for project closing, and ensure receiving the final financial report from UNDP Headquarters.

While profoundly acknowledging the work done by UNDP Tunisia team, and appreciating the partnership between our institutions, KOICA Tunisia Office avails itself of this opportunity to renew the assurance of its highest consideration to UNDP and enhance fruitful partnership between our two organisations.

Sincerely Yours,

Moonjung Choi
