ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, United Nations Development Program (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

ANNEX – COORDINATION LEVY UNITED NATIONS GENERAL ASSEMBLY RESOLUTION A/RES/72/279

The present Annex is an integral part of the Third-Party Cost-Sharing Arrangement Between The Department Of Foreign Affairs (The Donor) and The United Nations Development Programme (DFAT Insrument No No. 72409/49).

Pursuant to paragraph 10(a) of United Nations General Assembly Resolution A/RES/72/279 (31 May 2018), the Donor agrees that an amount corresponding to 1% of the total contribution to UNDP shall be paid to finance the United Nations Resident Coordinator System. This amount, hereinafter referred to as the "coordination levy" will be held in trust by UNDP until transfer to the United Nations Secretariat for deposit into the United Nations Special Purpose Trust Fund, which has been established to finance the United Nations Resident Coordinator System and is managed by the United Nations Secretariat.

The Donor acknowledges and agrees that once the coordination levy has been transferred by UNDP to the United Nations Secretariat, UNDP is not responsible for the use of the coordination levy and does not assume any liability. The fiduciary responsibility lies entirely with the United Nations Secretariat as the manager of the Resident Coordination System.

The Donor acknowledges and agrees the coordination levy does not form part of UNDP's cost recovery and is additional to the costs of UNDP to implement the activity or activities covered by the contribution. Accordingly, there is no obligation for UNDP to refund the levy, in part or in full, even where the activities covered by the contribution are not carried out in full by UNDP. As deemed necessary by the donor, however, especially where the scale of the resources concerned or reputational risk justify the refund transaction costs, the donor can submit a request for refund to the United Nations Secretariat directly.

UNDP will not administer the coordination levy. UNDP will not report on the use of the coordination levy. UNDP does not have any liability on the use of the coordination levy by the United Nations Secretariat. Clarifications on the administration, reporting and/or use of the coordination levy by the United Nations Secretariat shall be discussed by the Donor and the United Nations Secretariat on bilateral basis.

A Contribution of AUD 990,099 is made under the Agreement. In addition to the Contribution amount, the Donor is paying a coordination levy amount of AUD 9,901. This coordination levy amount will be transferred to UNDP at the bank account indicated in the Agreement immediately after its signature

Dear Bayu,

Thank you for the email and for confirming the cash balance held by UNDP. In order not to delay any activities (based on the MOU), we propose UNDP to use the cash balance and deduct the amount required for Q1 + Q2 i.e. 365,498.51. We will do the cash reconciliation for this later this year during the IP reconciliation exercise.

Should you have any questions, please let us know.

Dear Bayu,

Thank you very much for the update. We have noted the changes and we look forward to receiving the revised MOU once the signature process is completed.

For now, we will proceed with processing the cash release. However, before we do this, two things for clarification:

- 1. Since the contract does not breakdown the quarterly budget, should we use the budget in the original draft as in my email below? That means a total of USD 365,498.51 for Q1 (USD 350,086.32) plus Q2 (USD 15,412.19)? Please confirm.
- 2. Also, we note that UNDP has a cash balance from the disbursement processed in December 2020. Could you please confirm what this cash balance is?

Looking forward to hearing from you.

Dear John,

Greetings and I hope this email finds you well.

Following our latest discussion, we would like to share our notes and follow up action plan as below:

- 1. We have agreed to take out the budget for SISMAL maintenance in 2022 and 2023. The budget will be allocated to the PR account.
- 2. As per GF approval, the procurement of cadre kits this year will be conducted by the UNDP.
- 3. The above changes will be adjusted in the MOU, along with the agreed schedule of disbursement.
- 4. Meanwhile, PR kindly requests to continue the process of 1st tranche disbursement for Q1-Q2 implementation as per our email on 21 May.

The amendment process might take a while, but we expect to have the revised MOU in Q3.

Thank you for your kind attention and guidance.

Dear John,

Thank you for your email. Our confirmation is as follows:

- 1. We noted that the payment schedule in the MoU is changing. Furthermore, PR has informed UNDP regarding the quarterly schedule and they have agreed with the quarterly or semi-annual schedule. However, they will consult with their management first whether the revision is needed or not.
- 2. The budget in Y2 and Y3 for SISMAL is meant for maintenance and will be used after the SISMAL development finish in December 2021. Hence, the budget could not be shifted to Y1.
- 3. PR has sent the disbursement request for UNDP on 21 May. We might need to wait for the clarification of issue no.1 before proceeding.

We will immediately inform you of any updated information.

Thank you and best regards,

Bayu

Dear Bayu,

Thank you for sending the signed MOU with UNDP. Just a few questions for clarification:

1. We note that the payment schedule has changed from the versions which we had reviewed earlier. The payment schedule in the drafts were on a quarterly basis which were in accordance with the Global Fund guidelines for processing cash transfers to the PRs. Could you please clarify why this has changed to annual transfers? Just for reference, the payment schedules were as follows:

Q1 2021	350,086.32
Q2 2021	15,412.19
Q3 2022	30,125.42
Q4 2022	34,693.22
Total	430,317.15

- 2. For SISMAL v3 development, when we sent the approval email, we recommended NMCP to develop a timebound action plan (with milestones) for the completion of SISMAL v3 upgrade by December 2021 which is now included in Annex 2. However, there is a budget totaling USD 67k included for Y2 and Y3 of the MOU. We recommend this timeline to be changed to 31 December 2021 for completion of the activity, and the budget for Y2 and Y3 be deducted. During implementation, we suggest to have monthly updates during the monthly calls.
- 3. Lastly, once the above is clarified, please let us know if NMCP would like the disbursement released to UNDP.

Thank you very much.

Regards, John
