Implementation Modality: DIM

Implementing Agency: UNDP

Brief Description

The cultural heritage of Cyprus emanates from diverse and rich cultures and civilizations which have populated the island throughout history. It constitutes common heritage of Cyprus and of humanity regardless of its origin.

The Overall Objective of the project is to support the reconciliation process and to increase the trust between the Greek Cypriot and Turkish Cypriot communities through the implementation of confidence building measures agreed by the Technical Committee on Cultural Heritage (TCCH). Confidence-building measures will be further encouraged by the important participation of bi-communal teams during the implementation of the project.

The Specific Objective of the project is the preservation of Cypriot cultural heritage by supporting conservation and/or emergency measures for high importance cultural heritage sites agreed by the bi-communal Technical Committee on Cultural Heritage in Cyprus:

- Implementing conservation works for selected cultural heritage sites
- Supporting “community mobilisation” activities of the TCCH to ensure the sustainability of the intervention.
- Preparing designs for selected cultural heritage sites
- Raising visibility & awareness about the EU financed TCCH
