Subject: Submission of the 2021 Progress Reports for the “Supporting the Tunisian population’s access to their rights” programme and SDG16+ Portfolio

Dear Angele,

I am pleased to share with you the 2021 annual progress reports for the “Supporting Tunisian population’s access to their rights” programme and the Portfolio of projects on “Sustaining peace through the promotion of a peaceful, just and inclusive society in Tunisia (SDG16+ Portfolio).

As you will see in the reports, in spite of the challenging context at different levels, there have been significant achievements during the last year which have benefitted greatly from the ongoing partnership between UNDP, the Netherlands and the different national and local partners both institutional and non-state actors.

I take this opportunity to express UNDP’s appreciation for its robust partnership with the Netherlands in promotion of the rule of law, social cohesion and sustainable development in Tunisia, and look forward to continuing to work together to build on the results of our cooperation.

Sincerely yours,
