Project Title: Support to cultural heritage monuments of great importance for Cyprus, Phase 7

Project Number: 00121523

Implementing Partner: UNDP

Start Date: November 2019 End Date: January 2023 PAC Meeting date: 13-17 December 2019

Brief Description

The overall objective of the project is to support the reconciliation process and to increase the levels of trust between the two main communities on the island – the Greek Cypriot and the Turkish Cypriot. This overall objective will be achieved through the implementation of confidence building measures as agreed by the bi-communal Technical Committee on Cultural Heritage TCCH.

The specific objective of the project is the preservation of Cypriot cultural heritage monuments of great importance. This is pursued by supporting conservation and/or emergency safeguarding measures for high importance cultural heritage sites. Confidence-building measures will be further strengthened by the participation of bi-communal teams during project implementation and through the inclusion of community engagement, awareness raising and educational components in the project.

This seventh phase (2019-2022) of the programme “Support to cultural heritage monuments of great importance for Cyprus” aims to extend the support to the efforts of the bi-communal TCCH thus contributing to the ongoing peace and confidence building process by bringing communities closer to their shared heritage through conservation and emergency safeguarding projects. This will be achieved through the following expected outputs:

Expected Output(s):

Output 1: Designs for conservation works of selected cultural heritage sites.

Output 2: Conservation works for selected cultural heritage sites.

Output 3: Communities engaged in the protection and preservation of Cyprus’s diverse and shared cultural heritage and awareness raised through awareness raising activities
