Project Title: Global Project on Managing Development Cooperation Effectively

Project Number: Award No 00050716/Output No 00095143

Implementing Partner: United Nations Development Programme (Direct Implementation)

Start Date: August 2015

End Date: June 2023

PAC Meeting date:

Brief Description: Extension

This extension of the project is required to (i) ensure its alignment with the Work Programme 2020-2022 of the Global Partnership for Effective Development Cooperation (GPEDC) and support the preparation and execution of GPEDC's third High-Level Meeting (HLM3) as endorsed by the GPEDC Steering Committee (ii); provide support during the critical phase of developing a new 2023 -2025 GPEDC work programme; and iii) to support the launch and rollout of a revised GPEDC monitoring exercise, envisaged for the first half of 2023 as guided by the Steering Committee. The activities planned for the extended implementation period is in line with the overall objectives, outcomes and outputs of the current project. The Work Programme 2020-2022 of the Global Partnership has been endorsed by the Steering Committee in May 2020, with corresponding resource requirements for UNDP in Nov 2020. The needed extension of the global project until June 2023 to support the development of a new Work Programme (2023-2025) will be discussed/endorsed in the next Steering Committee scheduled to take place in Dec 2021 or January 2022.

Contributing SP Outcome: Outcome 1 (primary) contributing to Indicator 1.9, but relevant across all outcomes

SP output: 1.2.2: enabling environment strengthened to expand public and private financing for the achievement of the SDGs.

Indicative Project Output(s) with gender marker²:

Output 1: (GEN 2) The Global Partnership monitoring framework is refined, strengthened and implemented to support global accountability and mutual learning on effective development cooperation.

Output 2: (GEN 2) An increased number of countries strengthen, or are taking action to strengthen, policy and institutional arrangements that support integrated approaches to planning; more efficient management of diverse development cooperation flows; and enhanced coordination and stronger multi-stakeholder partnerships.

Output 3: (GEN 1) A strengthened mutual learning and knowledge exchange platform, facilitating the sharing of country-level evidence and learning from different modalities of development cooperation.

Output 4: (GEN 1) High-level and inclusive engagement and visibility of the Global Partnership for Effective Development Co-operation strengthened through advisory, secretariat and communication support services to the Steering Committee and the Co-Chairs of the GPEDC.

Output 5: (GEN 1) High Level Meeting (HLM) organised to provide a forum for political dialogue and decision-making within the GPEDC.
