### Brief Description:

The original Project Document of Sustainable Energy Financing Mechanism for Solar PV in Forest Villages in Turkey Project was signed by all parties on 23 August 2016. The project has received a no-cost time extension until 29 August 2022 in 2020. Upon approval of the letter of Request for Extension (Annex I) for this second extension of the project; and as discussed and approved on the Steering Committee Meeting dated 30 September 2021 (Annex II), the project duration is extended until 28 February 2023. The budget and work-plan is also revised accordingly (Annex III).

Agreed by Ministry of Agriculture and Forestry:
