Subject: Endorsement for the project “Development of Costa Rica's Fourth National Communication and Second Biennial Update Report to the UNFCCC”

Dear Ms. Dinu:

In my capacity as GEF Operational Focal Point for Costa Rica, I confirm that the above project proposal (a) is in accordance with my government's national priorities, including the National Climate Change Strategy, the National Development Plan, and our commitment to the relevant global environmental conventions; and (b) was discussed with relevant stakeholders, including the global environmental convention focal points.

I am pleased to endorse the preparation of the above project proposal with the support of the GEF Agency (ies) listed below. If approved, the proposal will be prepared and implemented by the National Meteorological Institute (IMN) in coordination with the Climate Change Directorate of the Ministry of Environment. I request the GEF Agency to provide a copy of the project document before it is submitted to the GEF Secretariat for CEO endorsement.

The total financing from GEFTF being requested for this project is US\$ 932,940, inclusive of project preparation grant (PPG), if any, and Agency fees for project cycle management services associated with the total GEF grant. The financing requested for Costa Rica is detailed in the table below.
