

Project Title: Support to Aid Management and Coordination in Somalia, 2018-2020

Pillar and title: NDP Pillar: Efficient and Effective Institutions

Overall strategic objective of the Project: The strategic objective of this Programme is “a better managed, more capable, and more accountable Somali aid coordination and management function that supports state building priorities, consolidates linkages between the FGS and FMS, contributes to stability and responds to citizen needs”

Project Outcomes: *i) a more inclusive, effective and efficient aid architecture, providing greater coordination across the humanitarian-development-peace nexus; ii) strengthened national ownership and capacity for aid coordination processes; iii) better coherence in the international community’s support for aid coordination and effectiveness*

National Development Plan: The project contributes to the following priority in the NDP: “Improve how the government is organized, the way government works and strengthen the elements that allow government to operate”.

UN (Global) Strategic Plan The project contributes to the following outcome in the UN Strategic Plan: Countries have strengthened institutions to progressively deliver universal access to basic services (SDGs 1, 16 and 17).

UN Somalia Strategic Framework (UNSF): The project contributes to the UNSF Strategic Priorities: SP3: Strengthening accountability and supporting institutions that protect.

UNDP Somalia Country Programme Document (CPD): The project will contribute to the UNDP CPD Output 2.1: Core functions of government ensure effective, efficient, transparent and accountable government management.

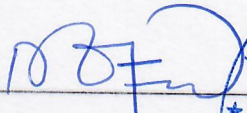

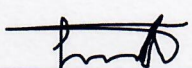

Project Duration: 2 years, 2 months (26 months)	
Start Date:	1 November 2018
End Date:	31 December 2020

Total amount:	USD 5,327,211
Sources of funding:	
1. Somalia UN MPTF TOTAL *	USD 2,355,000 (estimated)
2. Other sources:	
USAID	USD 1,500,000
Estimated gap:	USD 1,472,211 (estimated)
* Norway, UK and Switzerland have committed to contribute with approx. USD 2.35 million (exact amounts to be concretized); Sweden has also expressed interest in financially supporting the project (amount to be concretized)	

Short Description of the Support to Aid Management and Coordination in Somalia, 2017-2020 Project

The purpose of this joint UNDP-Integrated office (RCO-RMU-New Deal Unit) project is to support the implementation of the New Partnership for Somalia (NPS) and National Development Plan (NDP) through strengthening national capacities for effective aid management and coordination. The project will support capacity development of the Federal Government of Somalia (FGS) in the fields of Aid Coordination and Aid Effectiveness. The specific areas where financial, human resources and logistical support will be provided include:
 Component 1. Strengthened Coordination throughout the SDRF Aid Architecture
 Component 2. Monitoring NPS Implementation
